

2011

**FORTE**

## FORTE

Let it move you.

The 2011 Kia Forte sedan has a way of making every day a little more exciting, a little more stylish, a little more fun. It's in the design that gives Forte a look of sophisticated confidence that mirrors its sporty driving dynamics. It's also reflected inside, where the fit and finish, comfort and long list of standard features make the Forte sedan a genuine standout among compact sedans.

change to SX

## FORTE Koup

Let it fly.

If you believe life is at its best when you're behind the wheel, meet your new best friend.

The 2011 Kia Forte Koup is motion wrapped in emotion: a car with performance and handling characteristics equal to its envy-inducing design. All the excitement is there, from a choice of 6-speed transmissions and available steering wheel-mounted paddle shifters to an available sport-tuned suspension system, and up to 173 horsepower under the hood. The Forte Koup is a one-of-a-kind experience for the driver in you.

# FORTE<sub>5</sub>

For all the stuff you do.

Fun, stylish and practical with just a touch of attitude: that's the all-new 2011 Kia Forte5 hatchback.

We've taken all the comforts and conveniences of the Forte sedan and blended in the exciting performance and handling features of the celebrated Forte Koup; added the flexibility of a big rear hatch opening with loads of cargo space; and wrapped them all up in a captivating, new design.

The Forte5. It's life-sized for you.

## FORTE Family The Inside Story.

Driver- and passenger-pleasing comforts and conveniences are a Forte hallmark. No matter which model you choose – Forte sedan, Forte Koup or Forte5 – you'll get steering wheel-mounted audio controls, voice-activated Bluetooth®<sup>1</sup> hands-free cell phone connectivity, power windows and locks, and even heated power side mirrors as standard equipment. Forte models are even available with a 6-speed automatic transmission that includes an ECO-Minder™ indicator<sup>2</sup>; when you see its glowing green light in the instrument cluster, you know you're driving at your fuel-efficient best.

### There's space for that.

A standard 60:40 split folding rear seat opens plenty of space for the stuff you want to take with you – to the beach or arena, or from the market or the big-box store.

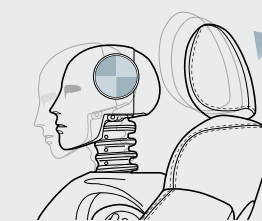

**1 Find your way.** A voice-activated navigation system<sup>3</sup> is standard on Forte sedan, Forte Koup and Forte5 SX Luxury models. **2 Plug and play.** Standard USB and AUX audio inputs let you can connect your iPod® or other digital music player to either of Forte's impressive audio system, ensuring crystal-clear, interference-free sound. **3 Comfort is automatic.** Set the perfect temperature just once. Standard automatic climate control on Forte SX models will keep it that way through every season. **4 That's smart.** The Smart Key system on all Forte SX Luxury models<sup>2</sup> lets you enter and start your car without taking the key or keyfob from your pocket or purse. **5 Hear it all.** Enjoy your favourite music through Forte's standard, four-speaker AM/FM/CD/MP3 audio system. EX and SX models come with two extra, sound-enhancing front tweeters, while SX models step that up the enjoyment factor with standard SIRIUS® satellite radio<sup>4</sup>. **6 Sun and sky.** Enjoy them both with a power tilt and sliding sunroof. It's standard on Forte SX and optional on EX models.

<sup>1</sup> Bluetooth® enabled cell phone required.  
<sup>2</sup> With automatic transmission-equipped Forte models.  
<sup>3</sup> Bluetooth® and navigation technology only recognize English voice prompts with the navigation system.  
<sup>4</sup> SIRIUS® satellite radio is available in the 10 provinces and 3 territories of Canada and the 48 contiguous United States. Monthly subscription sold separately after 3 trial months.

## Forte Safety. Everything is standard.

Let the name be your guide: Forte is built to be safe and strong. Its rigid, crash-tested body structure directs the energy of frontal and side impacts away from the passenger compartment while standard front, side-impact and side curtain airbags provide impact protection for you and your passengers.

**Anti-whiplash front headrests** move forward and upward in the first milliseconds of a rear-end crash to help reduce neck injuries.

**Electronic stability control (ESC)** automatically adjusts brake pressure at the appropriate wheel or wheels and regulates engine torque to help keep you on your desired path through tight turns, during evasive manoeuvres and in slippery road conditions.

**Four-wheel anti-lock disc brakes (ABS)** respond to slippery road conditions or sudden stops with the power and confidence you need to maintain control in challenging driving situations.

## Reward Yourself.

Kia Member Rewards is an exclusive rewards program for Kia Customers. As a Kia Rewards Member, you'll earn points with every dollar you spend on maintenance service, parts and accessories at your servicing Kia

dealer. Those Reward Points can be redeemed for discounts on future purchases – including the purchase of a new Kia. Plus earn Bonus Points on select items and services to collect rewards even faster.

**Kia Member Rewards No-Charge Benefits include:**

- Fuel fill-up with the delivery of your new Kia vehicle
- Local shuttle service
- Multi-point vehicle inspection with every service visit
- Windshield washer fill-up with every paid service
- Windshield wiper installation with wiper purchase
- Preferential rates on car rentals, nationwide
- 24/7 Roadside Assistance for your vehicle under Kia's 5-year/100,000-km warranty or Certified Pre-Owned warranty
- Email notification of exclusive Kia specials and events – a great way to earn Reward Points and save on future purchases

**Become a Kia Premium Rewards Member:** Ask your Kia Dealer how you can enjoy even more benefits.

**Enroll Today.** Becoming a Kia Rewards Member is easy. See your Kia Dealer today to join. Visit [rewards.kia.ca](http://rewards.kia.ca) for full terms and conditions.

### Drive change.

It's about making things better. It's about thinking big, no matter how small you start. It's what took us from our first bicycle in 1952 to the vehicles we make today. It's what Kia Motors Corporation has always been about.

Kia builds quality vehicles for the young-at-heart, led by world-class design and adherence to the highest standards of corporate responsibility. Together, these commitments drive our ongoing development of state-of-the-art, eco-friendly cars to meet the global demand for compact, fuel-efficient vehicles. They also guide our community relations efforts around the world, including a unique, made-in-Canada program promoting multi-cultural understanding through Kia's active support of sports, environmental issues, health initiatives and education projects across Canada.
