

INFINITI G SEDAN

Electrifying the senses. Exciting the soul.

The G Sedan embodies a thrillingly human expression of performance. The power rushing from its 328 HP VVEL V6 engine is engineered to build organically for a feeling of limitless power, even while improving fuel economy. An all-new 2.5-litre V6 affords you the choice of smaller displacement and greater efficiency. Available Intelligent All-Wheel Drive enhances traction and control, adapting to your driving conditions by delivering power where you need it. Designed to reflect the artisan's touch, the interior beams with stylish beauty and refined textures, while the graceful wave-like shape of the hood flows with dynamic energy that radiates to every body surface. Thoughtful design enlivens exhilaration.

TO FUSE THE POWERFUL
WITH THE ARTFUL

CONFIDENCE
IN CHANGING CONDITIONS.

Intelligent All-Wheel Drive

Infiniti's Intelligent All-Wheel Drive is one of the most advanced all-wheel drive systems on the planet. It helps provide power and support where and when you need it most by monitoring your driving conditions and adapting to them. By constantly monitoring wheelspin, throttle position and vehicle speed, this system automatically diverts up to 50% of the available power to the front wheels, enhancing traction and control when conditions are less than optimal. When all-wheel drive is not needed, the system sends 100% of the power to the rear wheels for more sporty road performance.
