AZERA IN BLACK DIAMOND

Discover the 2009 Azera.

The 2009 Azera, Hyundai's premium front-wheel drive sedan, offers classic styling and a design that puts comfort, performance and safety above all else. It's refinement that's not uptight, but a level of sophistication that suits your discerning tastes to a T. It's true elegance with a sensible price tag.

The Azera is proof that you don't find timelessness in trends. You find it in a tireless commitment to enduring quality, brought to life through world-class research, development and technological advancements. Discover an automobile with integrity. Discover the 2009 Azera.

An appreciation for sophistication.

09
AZERA

exterior design

STATUS THAT NEEDS NO BADGE. Your appreciation for the Azera won't begin and end based on a label, but in the details of its striking exterior. Thoughtful design comes standard on the Azera, including new chrome front grille, projector-style halogen headlights, dual exhaust and extra-bright, long-lasting LED tail lights. Its polished finish gives it a sophisticated grace on the road, and with a shape that looks good from every angle, the Azera gets noticed.

STYLISH SPOKES. The Azera is equipped with stylish 10-spoke, aluminum alloy, 17-inch wheels.

SMOOTH, ARTFUL DESIGN. The clean lines of the body combined with the new chrome front grille and chrome detailing on the bumper and door handles create an elegant package.

A thing for curves.

AZERA IN VELVET RED

performance

MORE HORSES, FEWER HASSLES. When it comes to determining whether or not an automobile is an exceptional performer, it's not the flashy symbols that win you over. Rather, it's the presence of competent function, smooth operation, and quick reaction time. With the Azera's 3.8L, 24-valve, DOHC V6 engine with Continuously Variable Valve Timing (CVVT) and 263 horsepower, you are at the helm of serious brawn. Its lightweight aluminum block, four valves per cylinder and Variable Induction System enable the Azera's impressive acceleration capability. Its advanced, 5-speed automatic transmission and the added manual control offered by SHIFTRONIC™ grant the Azera a notably smooth and controlled ride. A double-wishbone front suspension, multi-link rear suspension, gas shocks and front and rear stabilizer bars contribute to its confident handling. And, engine-speed-sensing power steering reveals its fondness for curves.

5-SPEED AUTOMATIC TRANSMISSION WITH SHIFTRONIC™ The Azera's advanced, 5-speed automatic transmission delivers silky smooth shifts while optimized gear ratios complement the V6's capabilities. The added manual element afforded by SHIFTRONIC™ adds to overall driver control.

V6 EFFICIENCIES. The Azera's advanced, 3.8L V6 engine adds even more muscle to its aluminum alloy block and cylinder heads equation, benefiting from efficiencies of improved thermal dynamics and reduced weight while adding to overall fuel efficiency.

09

AZERA

A superior attention to detail.

09
AZERA

interior styling

EXPERIENCE GENUINE COMFORT, WHEREVER THE ROAD TAKES YOU. The Azera is all about the finer details, especially where comfort is concerned. And a comfortable interior means making space a priority. With 3,028 litres of interior volume, the Azera is undeniably spacious. But, space is not the only strength of the Azera's interior. It has a host of other amenities to boast, from a leather-wrapped steering wheel with integrated audio controls to new metal-grain trim. Leather upholstery, new blue backlit controls and gauges for a more contemporary look, and 6-speaker AM/FM/XM/CD/MP3 audio system, convenient USB/Aux. inputs, and easy-to-use trip computer prove the Azera never falters when it comes to its attention to detail. Even the Azera's rear seats are roomy and well-appointed, with a pull-down centre armrest and plenty of leg room to keep everyone happy. The Azera is all about comfort – from front to back.

POWER TILT-AND-SLIDE SUNROOF. Enjoy the added spaciousness on every journey provided by the Azera's standard power tilt-and-slide glass sunroof.

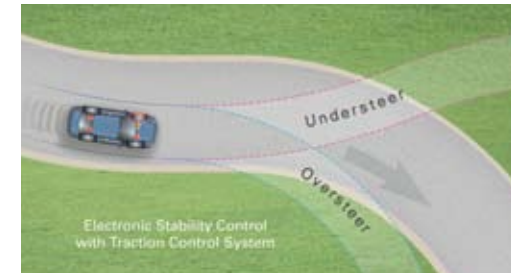

LUXURIOUS LEATHER SEATING. Standard leather seating is another way the Azera delivers uncompromising comfort. And an 8-way power driver's seat and 4-way front power passenger's seat – both with variable heat settings for added cold weather comfort.

A safe haven.

AZERA IN SILVER FROST

AZERA

s a f e t y

SAFETY IN NUMBERS. You can rest assured under the care of the Azera's many safety features. Equipped with advanced technologies, the Azera delivers superior safety. Advanced safety technologies include eight airbags¹ (advanced dual front, front and rear seat-mounted side-impact, roof-mounted side-curtain airbags), an Anti-lock Braking System (ABS) with Electronic Brake Force Distribution (EBD) and Brake Assist (BA) and Electronic Stability Control (ESC) with Traction Control System (TCS)². The Azera's many safety features – from its front active head restraints and seatbelt pretensioners and force limiters, to its child seat LATCH system – add an extra level of protection from the road.

8-AIRBAG¹ SAFETY. Equipped with eight standard airbags, the Azera comes standard with a sense of responsibility.

A NEW STANDARD IN SAFETY. Electronic Stability Control (ESC) with Traction Control System (TCS)² works to help keep your vehicle on its intended path by applying braking power and reducing engine power in oversteer or understeer conditions.

A Z E R A

QUALITY *There are a lot of companies that claim to build a quality product, making it hard for consumers to know when they're confronted with the real thing. By definition, quality refers to the highest standards. At Hyundai Auto Canada Corp., we are committed to bringing you the highest standards in everything we do. That's why we have invested billions of dollars into research, design, safety, testing, and manufacturing. And it's how we have the confidence to give you one of the best warranties in the industry.*

From our R&D Technical Center in South Korea to our ISO manufacturing plant in Alabama, our commitment to quality is rooted in our belief in craftsmanship. Craftsmanship cannot be achieved by robots alone. It requires the expertise, artistry and creativity of people. Together, our state-of-the-art facilities and dedicated human resources ensure our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians – to create a lineup of vehicles that meets the harshest critics' highest standards – yours.

DRIVE DEFECTS TO ZERO. Hyundai embarked on its quality mission in 1999, when it launched its "Zero Defects" program. This initiative involves everyone – from design engineers to the factory workers on the line – and every aspect of the company's culture in a devout commitment to quality manufacturing across the board. The results are obvious.

ONE OF CANADA'S BEST WARRANTIES. Have the peace of mind that comes with Hyundai Auto Canada's standard 5-year/100,000 km Comprehensive Limited warranty[†] along with 5-year/100,000 km Powertrain warranty – standard with every Azera. We also provide a 3-year/Unlimited km Roadside Assistance Program which includes fuel delivery service, flat tire changing, lock-out service, towing service, and more. Just one toll-free call away, 24 hours a day. There are no deductibles and warranties are transferable. For further details on your warranty coverage, including terms and limitations, please consult the Service Passport that accompanies all new Hyundai vehicles or see your local Hyundai dealer.

ACCESSORY SOLUTIONS THAT SUIT YOU.

Hyundai is making its name on delivering unprecedented quality and value, offering Canadians a wide variety of lifestyle-friendly vehicles loaded with outstanding packages of standard features and premium extras. Individual needs call for individual solutions. That's why Hyundai goes out of its way to offer you a line of accessories designed to suit specific demands. With Hyundai's line of authorized parts and accessories, you are able to customize and adapt your vehicle to your lifestyle. From versatile quick-locking roof racks to stylish side visors, custom-fit your Azera your way.

1 SIDE VISORS. Sleek and sporty, these side visors let you enjoy fresh air even when it's raining.

3 PLASTIC HOOD PROTECTOR. Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

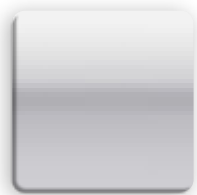

5 ROOF RACKS. This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room.

2 TRUNK LIP PROTECTOR. Protects the paintwork on your rear bumper from scuffs and scrapes when loading and unloading cargo.

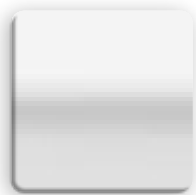

4 SUNROOF DEFLECTOR. Enjoy the sun? You'll enjoy it even more with the reduced wind noise that a sunroof deflector can provide.

6 RUBBER FLOOR MATS. Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats.

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible.

Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories.

[†] Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.

^{††} Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away. 24 hours a day.

¹ The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times. Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child seat in the front seat of a Hyundai vehicle.

² Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not a substitute for safe driving practices.

^{**} CAN/ULC S338-98 compliant immobilizer may reduce insurance costs in some instances.

The Hyundai names, logo, product names, feature names, images and slogans are trade marks owned by Hyundai Auto Canada Corp.
